

201 Hangar Road, Dupont, PA, 18641, United States

I have too many aircraft. I am not a huge Car guy. I am open to Art, Artifacts, etc.
I have a fleet of 10 aircraft. I am starting with a later vintage Twin. 1984 Piper PA-31-350P Piper Mojave. Great Pressurized Twin with 5 passenger seats including the potty seat. It is part of the Piper Navajo Series but with pressurized cabin for comfort and noise control in cabin. Great IFR platform and comfortable aircraft. The aircraft is in commercial service as we speak. The seat covering will need to be re-done or possibly dyed to freshen up. ADSB compliant.
