

open to trade for (veritable) professional interior and exterior house painting in exchange for my car.

2011 Jaguar XJL Supercharged (Black on black) \$5000 firm. The car cleans up real nice, as the first picture shows. The car has been stored in the garage collecting dust for a few years :(. Very good condition inside and out with 68,110 miles with 22s aftermarket wheels, K&N filters, and newer tires before catastrophic engine failure due to a Jaguar known timing chain tensioner issue. The car does start, but runs rough. I have 2 key fobs and a clean (paid off) title. It's the XJL supercharged edition and the supercharger is fine according to the shop.
