

St Petersburg, FL, United States

Would prefer to swap for property in Florida, ideally central Florida. Also open to trades for other types of properties or vehicles of equal value in central Florida. Contact me to discuss.

1996 Bayliner 3988 Bayliner 3988 Command Bridge ready for the Great Loop or coasting cruising! Meticulously maintained by current and original owner. Only two years in salt water. Original owner kept the boat in fresh water in Lexington, MI. For the first 25 years, he only used it 5 months out of the year. Boat was kept in heated indoor storage the other 7 months. Twin Hino 310 diesel engines. Low hours engine hours - just over 1200. Strong running engines with plenty of life left in them. Wet slip at Maximo Marina is transferable to new owner with one year lease. Very comfortable boat for day use or long term cruising. Bow cabin, and mid-cabin with spacious berths. Settee in salon also has infill stand and cushions for additional sleeping space. Original owner did half of the great loop in Sep 2021 - Feb 2022. Thoughtfully prepared for the great loop with lots of upgrades, provisions and spare parts. Not many boats in this size with both upper and lower helm. Overall length: 39 feet / 46 feet stem to stern. 15' 6" bridge clearance. 13' 11" beam. Oil always changed every season. Generator barely used, and runs perfectly. USCG documented vessel.
